

Colorado Photopolymer Solutions, LLC

## Safety Data Sheet

### 1. Product and Company Information

Product Name CPS Resin: CPS 1050W  
Product Number CPS Resin: CPS 1050W

Company Colorado Photopolymer Solutions, LLC  
Address 1880 S. Flatiron Ct., Suite J  
Boulder, CO 80301

Telephone Number 303-520-4107

Emergency Number 303-520-4107

### 2. Hazard(s) Identification

Hazard Summary: Harmful if swallowed, H302  
Skin irritation, H315  
May cause an allergic skin reaction, H317  
Very toxic to aquatic life with long lasting effects, H410

GHS Symbol:

### 3. Composition/information on Ingredients

Proprietary Resin. UV Curable. Cures rapidly to form a glassy high modulus, optically clear material. Excellent for use in protective wood coatings, optical and outdoor applications. Non-yellowing, excellent wetting properties. Low oxygen inhibition.

### 4. First-aid Measures

General:	Remove contaminated clothing.
Eye contact:	Wash affected eyes for at least 15 minutes under running water with eyelids held open.
Skin contact:	Wash thoroughly with soap and water. If irritation develops, seek medical attention.
Ingestion:	Rinse mouth and then drink plenty of water. Do not induce vomiting. Seek medical attention if necessary.
Inhalation:	If difficulties occur after inhalation, remove to fresh air and seek medical attention.

### 5. Fire-Fighting Measures

Flash Point:	>110°C
Auto-ignition Temperature:	Not determined
Flammability:	Not determined
Fire Fighting Information:	Wear self-contained breathing apparatus and protective clothing to prevent contact with skin and eyes. Emits toxic fumes under fire conditions.
Extinguishing Media:	Dry chemical, sand, carbon dioxide, foam, water spray.

### 6. Accidental Release Measures

In case of spill:	Prevent further spill or leak if possible to do so without risk. Ventilate the area. Avoid generation of vapors. Contain and collect spilled chemical with non-combustible absorbent material such as clean sand, earth, diatomaceous earth or non-acidic clay and place into suitable properly labeled containers for prompt disposal.
Personal precautions:	Wear self-contained breathing apparatus, rubber boots, and heavy rubber gloves. Keep unprotected persons away from chemicals.
Environmental precautions:	Keep out of drains and water courses. Contain contaminated water/firefighting water. Do not discharge into drains/surface waters/groundwater.

Methods for cleaning up: Absorb with an inert material and place in a chemical waste container, and hold for waste disposal. Ventilate area and wash spill site after material pickup is complete.

## 7. Handling and Storage

Handling: Do not breathe vapor. Do not get in eyes, on skin, or clothing. Keep container closed. Use with adequate ventilation. Wash thoroughly after handling.

Storage: Keep in a dry, cool place. Store in closed containers, in a secure area to prevent container damage and subsequent spillage. Store out of direct sunlight in a cool well-ventilated place.

High temperatures (>80°C), pressure and contamination with peroxides may result in auto-polymerization of the product.

Unstable upon depletion of inhibitor.

## 8. Exposure Controls/ Personal Protection

General Measures: Keep away from foodstuff, beverages, and feed. Wash hands before breaks and at the end of work.

Engineering Controls: Ensure adequate ventilation. Safety shower and eye bath should be nearby. Use in a chemical fume hood.

Eye Protection: Wear eye and face protection. It is recommended to wear NIOSH or equivalent certified chemical goggles.

Hand Protection: Wear chemical-resistant gloves.

Skin and Body Protection: Wear skin protection

Ventilation: Provide natural or mechanical ventilation to minimize exposure.

## 9. Physical and Chemical Properties

Appearance: Colorless

Physical State: Liquid

Odor: Mild

pH Value: Not determined

Melting Point:	Not determined
Boiling Point:	Not determined
Flash Point:	Not applicable
Flammability:	Not applicable
Decomposition Temp.:	Not determined
Danger of explosion:	Product does not present an explosion hazard.

## 10. Stability and Reactivity

Chemical Stability:	Stable under recommended storage conditions.
Hazardous Polymerization:	Reacts rapidly upon exposure to ultraviolet light or in the presence of inhibitor depleting heat. Polymerization is hazardous and can degenerate into an uncontrolled reaction.
Incompatible materials:	Strong oxidizing agents, strong reducing agents, free radical generators, oxygen scavengers, and peroxides.
Hazardous Decomposition Products:	Acrid smoke-fumes, carbon monoxide, carbon dioxide, sulfur oxides, hydrocarbons, nitrogen oxides and perhaps other toxic vapors may be released during a fire involving this product.

## 11. Toxicological Information

Route of Exposure:	Through contact with skin or after permeation of clothing. Inhalation of vapors.
Signs and Symptoms of Exposure:	Nausea, headache, and vomiting.

## 12. Ecological Information

Toxic hazard to aquatic environment with long lasting effects. Avoid exposure to natural resources.

## 13. Disposal Considerations

Dissolve or mix with a combustible solvent and burn in a chemical incinerator equipped with an afterburner and scrubber. Observe all federal, state, and local environmental regulations. Must not be disposed of together with household garbage.

#### 14. Transport Information

UN-Number  
DOT, TDG, ADN, IMDG, IATA: Non-regulated material

UN-Proper Shipping name  
DOT, TDG, AND, IMDG, IATA: Non-regulated material

Transport hazard class(es)  
DOT, TDG, ADN, IMDG, IATA  
Class: Non-regulated material

Packing group  
DOT, ADN, IMDG, IATA: Non-regulated material

Environmental hazards: Not applicable

Special precautions for user: Not applicable

#### 15. Regulatory Information

Federal Regulations: Follow Hazardous Chemical Storage Reporting Requirements  
EPCRA 311-312

#### 16. Other Information

Revision Date: 6/13/16

Abbreviations: GHS-Globally Harmonized System of Classification and Labeling of Chemicals  
NIOSH-National Institute for Occupational Safety and Health  
HMIS-Hazardous Materials Identification System  
EPCRA-Emergency Planning and Community Right-to-Know Act
